

Believe Lin Marsh

When I look up to the stars
There's a burning deep inside me
And I feel a power growing in my soul
There is something I can sense
Deep within a dream to guide me
And I know that I am reaching for my goal

CHORUS

I can do anything at all
I can climb the highest mountain
I can feel the ocean calling wild and free
I can be anything I want
With this hope to drive me onwards
If I can just believe in me

When the skies are dark and grey
We still know the sun is shining
Though it's out of sight , it's light is glowing still
And as long as I believe
There is nothing I can't wish for
Not a dream that I'm unable to fulfil

CHORUS

I can do anything at all
I can climb the highest mountain
I can feel the ocean calling wild and free
I can be anything I want
With this hope to drive me onwards
If I can just believe in me

Bridge

And whatever it takes I'll find it somehow

Whatever it needs I'll show I'm strong

Whatever it takes I'll make it happen

Finding out where I belong

While the world is spinning round

I can sometimes lose direction

And I know how hard it is to find my way

But with friends around to care

There is nothing I can't handle

And I'll face the future treasuring each day

CHORUS

If I can just believe in me
