

Sing Gary Barlow & Andrew Lloyd Webber

SOLO JODY

Some words they can't be spoken only sung,

So hear a thousand voices shouting love.

There's a place, there's a time in this life

When you sing what you are feeling,

Find your feet, stand your ground,

Don't you see right now the world is listening to
what we say?

Sing it louder, sing it clearer, knowing everyone
will hear you,

Sing it stronger, sing together, make this moment
last forever, (sing)

Hear a thousand voices shouting love.

ALL

Sing it louder, sing it clearer, knowing everyone
will hear you,

Make some noise, find your voice tonight.

Sing it stronger, sing together, make this moment
last forever,

Old and young shouting love tonight.

To sing we've had a lifetime to wait (wait, lifetime
to wait)

And see a thousand faces celebrate (celebrate,
faces celebrate)

You brought hope, you brought life,

Conquered fear, no it wasn't always easy,

Stood your ground, kept your faith,

Don't you see right now the world is listening to
what we say?

Sing it louder, sing it clearer, knowing everyone
will hear you,

Make some noise, find your voice tonight.

Sing it stronger, sing together, make this moment
last forever,

Old and young shouting love tonight.

Some words they can't be spoken only sung,

To hear a thousand voices shouting love and light
and hope.

Just sing; just sing; just sing; just sing.
