

Fight Song Andrew Smith

Jody -You, with your words like knives and swords and weapons that you use against me.

You have knocked me off my feet again got me feelin' like nothing.

You, with your voice like nails on a chalk board, callin' me out when I'm wounded.

You, pickin on the weaker man.

And all those things I didn't say, wrecking balls inside my brain,

I will scream them loud tonight.

But you don't know, what you don't know.

All- Someday I'll be livin in a big old city and all you're ever gonna be is mean.

Some day I'll be big enough so you can't hit me and all you're ever gonna be is mean.

Why you gotta be so mean?

Jody - Cos I've still got a lot of fight left in me.

All- Losing friends and I'm chasing sleep.

Everybody's worried about me.

In too deep, say I'm in too deep.

I walk with my head down try'n to block you out, cos I'll never impress you.

I just wanna feel okay again

And all those things I didn't say, wrecking balls

Somebody made you cold.

This cycle ends, can you hear my voice?

This is my fight song, take back my life song, prove I'm alright song

My power's turned on starting right now I'll be strong.

I'll play my fight song, and I don't really care if nobody else believes cos I've still got a lot of fight left in me.

Don't doubt it, don't doubt it!

Victory is in my veins.

I know it I know it!

A lot of fight left in me!

**Jody -Oh and I'll rise up
I'll rise like the day
I'll rise up
I'll rise unafraid
I'll rise up and do it a thousand times again**

This is my fight song (hey)
Take back my life song (hey)
Prove I'm alright song (hey)

My power's turned on, starting right now I'll be strong.
I'll play my fight song
And I don't really care if nobody else believes
Cos I've still got a lot of fight left in me

Jody- No I've still got a lot of fight left in me.
