

Lean on Me Bill Withers (Glee Version)

Mmm

Harmonix-

Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
Till I'm gonna need
Somebody to lean on

All- Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you don't let show

So just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'd understand
We all need somebody to lean on

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
Till I'm gonna need
Somebody to lean on

So just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'd understand
We all need somebody to lean on

Harmonix

If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me

All –

So call me call me call me

Harmonix

Lean on lean on me
So just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'd understand
We all need somebody to lean on
Lean on me when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
Till I'm gonna need
Somebody to lean on
Lean on me..
