

The Greatest Showman Medley Andrew Smith

Whoa (stamp Stamp stamp)

Whoa (stamp)

Jody- Ladies and Gents this is the moment you've waited for

Whoa (stamp)

Jody- You've been searchin in the dark, your sweat soaking through the floor

Whoa (stamp)

Jody- And buried in your bones there's an ache that you can't ignore
Takin your breath stealing your mind and all that was real is left behind.

Don't fight it, it's coming for you, running at you
It's only this moment don't care what comes after.

Your fever dream can't you see gettin' closer
Just surrender' cos you feel the feelin takin over
It's fire, it's freedom, its floodin open.
It's the preacher in the pulpit and your blind devotion
There's somethin' breakin'at the brink of every wall that's holdin' all that you know
So tell me do you wanna go,

**All - Where it's covered in all coloured lights
Where the runaways are runnin' the night?
Impossible comes true its takin' over you
Oh! this is the greatest show
We light it up, we won't come down
And the sun can't stop us now
Watchin' it come true
It's takin' over you.
Oh! This is the greatest show!**

(Hey hey)

It's everything you ever want
It's everything you ever need
And it's here right in front of you.
This is where you wanna be.
X2

Jody- I close my eyes and I can see a world that's waiting up for me
That I call my own
Through the dark
Through the door
Through where noones been before
But it feels like home

All- They can say they can say it all sounds crazy
They can say they can say I've lost my mind
I don't care, I don't care so call me crazy
We can live in a world that we design

Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all its gonna take
Oh a million dreams for the world we're gonna make.

And the world becomes a fantasy and you're more than you could ever be
Cause you're dreamin' with your eyes wide open.
And we know we can't go back again to the world that we were livin in
Cause you're dreamin with your eyes wide open.

Never never X2
Never for me, for me
Never enough
Never enough
Never enough for me, for me

Oh oh oh oh

Another round of bullets hits my skin

We'll fire away

Cos today

I won't let the shame sink in

We are burstin through the baracades and reaching for the sun.

We are warriors and that's what we've become.

I won't let them break me down to dust

I know that there's a place for us

For we are glorious

Jody When the sharpest wounds wanna cut me down

All Ey Ey Ey

Jody- I'm gonna send a flood, gonna drown em out

All Ey Ey Ey

Jody I am brave I am bruised I am who I'm meant to be This is me

All Look out cos here I come (Ey Ey Ey)

And we're marchin' onto the beat of the drum (Ey Ey Ey)

We're not scared to be seen ,

We make no apologies

This is me!
