Safe Guarding and Photo permission

Please be aware safe guarding of your pupils will be your **schools responsibility at all times during the event and children must be safeguarded at all times by a DBS enhanced member of staff.**

Please make sure you have parent consent for photo/ filming of the event.

If you have children who cannot be filmed etc we will need to know prior to the event and you will be allocated a lanyard for them to wear on the day so our photographers will know not to take any pictures of them. Please can you think about where you position those children in their seats so it makes it easier for us to take photos of groups too.

The show will be also be filmed and streamed onto screens on the pitch so families can see their children performing closer up.

SHOW PACK and Online teacher session.

You will receive a show pack in June with your seat allocations, entrance and exit points in venue, risk assessments etc and we will be holding an optional online teacher session for 30 minutes on Monday 3rd July before the events at 4pm to go through any queries you may have.
