

Floral Pavillion Show 2024

We are delighted that your school will be taking part **The Floral Pavilion Show on Monday 10th June**

During the Amasing Back Through the Decades Project children are going to go on an exciting musical journey back in time and explore a world of Music and Dance from 1950s to present day which will directly link to schools Music, History, Dance and PSHE curriculum.

Through our project schools will be able to take part in many arts for wellbeing workshops supporting children's mental health through music and dance.

Children will also be learning 9 songs related to the theme.

Safe-Guarding and Photo Permission

Please be aware safe guarding of children is the schools responsibility at all times during the event and children must be safeguarded at all times by DBS enhanced members of staff.
Please make sure you have parent consent for photo/ filming of the event.

If you have children who cannot be filmed etc we will need to know prior to the event and you will be allocated a lanyard for them to wear on the day so our photographers will know not to take any pictures of them. Please can you think about where you position those children in their seats so it makes it easier for us to take photos of groups too.

This will be a wonderful opportunity for children to be able to come together to perform and show case their talents with peers from other schools celebrating their achievements together. They will experience singing and performing with a live band.

Thank you for your support
