

We are delighted that your school is taking part in our projects and show at the Theatre Royal on the 15th of October or 18th of November 2024.

The Project

This project “AmaSing Connect” will support your pupils mental health through singing and arts, building on their confidence, creativity and develop new skills and knowledge in music and dance. Through our project schools will be able to take part in many arts for wellbeing workshops supporting children’s mental health through music and dance.

In this project schools will learn 8 unique songs which have all been written by children and communities in our projects working with our professional composers for the project.

Resources

Please click on the Aspire music and resource button on the login dashboard where you will be able to access the music and lyrics free of charge. We have created a song with children from local schools in your area which will be added to these resources for you to learn.

To support learning of songs we will hold some online singing sessions where our Musical Director will help teach the songs and dance for the shows. Dates and time to be announced.

The Big Shows

At the end of the project all schools who have taken part will come and perform in a FREE for schools celebratory show at The Royal Theatre with our professional Amazing band and dancers.

Timetable for Shows

- 2-5pm Children will arrive at theatre with their schools for a rehearsal.
- 5-6pm Children have tea (which they bring with them)
- 6pm Doors to the public will open.
- 6.30-8pm Showtime

Children will be safe guarded by their teachers at all times during the event. There is no fee for your school to take part in the project this year.

Optional T-shirts can be purchased for children at a cost of **£6.50** if they wish. These can be purchased through our website only by the school **not** parents.

Tickets will be available to purchase by the children's families and public in cash at the Theatre Royal for £12 or via their online box office for £12 + fees.

Amazing relies on the income generated from ticket and T shirt sales to help fund the project so we ask schools to encourage parents to support us by purchasing these.

We are looking forward to working with you all !
